

*Come join us for  
high country living  
at it's finest.*

*Rarely* does an opportunity come along to own dream property. An opportunity to build your home in a relaxed secure setting where your spirit is uplifted daily as you participate in the ancient natural drama of mountain, valley and sky from your eagle's perch in the cool breezes high above the everyday world.

Our estate sized wooded and meadow tracts (1.6 to 7 acres) offer plenty of room for a garden, a small orchard or a horse or two. We are close enough to Sweetwater to come home for lunch and convenient to Madisonville, Athens, Oak Ridge and Knoxville via Highway 11, 68 and I-75. The Smoky Mountains and several TVA lakes are just minutes away.

Hunter Ridge Farms adjoins quality established neighborhoods and our carefully crafted covenants insure that the value and integrity of our community will be protected for generations to come.
