Description of Article

Appraised Value

(1) One ladies 14Kt. white gold diamond engagement ring. This ring has one round brilliant cut center diamond measuring approximately 135 points (1 1/3 carat) and is set in a four prong tiffany head. This diamond is approximately H color and approximately I1 clarity. On each side of the center diamond are two round brilliant cut diamonds approximately .33 points each (1/3 carat) and are set in four prong settings. The four side diamonds are approximately I1-I2 clarity range and approximately H-I color range. The shank is a four millimeter half round style.

Approximate total weight of all 5 diamonds: 267 points (2 2/3 carats)

Retail replacement cost: Ten thousand five hundred dollars.....\$10,500.00

NOTE: This appraisal tells you the approximate price at which you could replace the foregoing articles with comparable merchandise at a retail jewelry establishment selling jewelry of like quality. You should not expect to be able to sell the articles for this amount. The opinion of appraisers concerning value vary. We do not promise to buy the articles from you at the appraised value or any price less than the appraised value. We assume no liability with respect to any action that may be taken on the basis of the appraisal.
