NOTES ON JOB & MATERIALS - SCOPE OF WORK: Break Down of Prices
To repair bowed walls and Backfill as shown in
The example \$8470.00 | \$1920.00 For 8 Anchor gussets (optional) | Cost to remove and
replace Fuel Tanks - not including draining \$250.00 | Cost to remove air conditioner
\$50.00 | Cost to replace or reset and recharge air cond. Turner \$50.00 | IF any
downspout lines need rerouted \$300.00 Per Ft. | Rubber Backfill above footer/drain gravel

We propose hereby to furnish materials and labor - complete in accordance with above specifications, for the sum of: _____
 All work shall be completed in a workmanship-like manner. Contractor shall not be liable for any delay due to circumstances beyond control including strikes, weather, casualty or general unavailability of materials.

* ROCK OR STUMP CLAUSE: Additional charges for removal of rock, stumps, or any other matter found buried in the soil will be paid by the customer in the event that they cause any delay in completing the work. The price quoted is based on normal soil conditions. Excavating work involves the use of heavy equipment that usually causes damage to lawns. Much care will be taken to perform the work necessary with as little disturbance to the soil as possible. The contractor will not be responsible for final grading or reseeding any soil in the work area as described.

★ FULLY INSURED ★
ALL WORKERS ARE COVERED BY
WORKMEN'S COMPENSATION INSURANCE

Advanced Drainage #Trenching I.V.C.

Limited Warranty

All work performed at 10066 Western Reserve Rd. Ellsworth OH, between Oct 18, 2003 and Nov. 8, 2003 will be warranted by Advanced Drainage & Trenching Inc. This warranty is transferable for the life of the home. This warranty covers the cement block walls in the areas described.

However approximately 10 ft of the back north east corner is not 100% straight due to previous work that was performed. This warranty specifically covers bulging walls and leakage through the walls only. If the condition of bulging walls reoccurs, Advanced Drainage & Trenching Inc. will repair the walls with out charge to the home owner. However no restoration of lawn, shrubs, sidewalks, deck or anything of the sort will be paid by Advanced Drainage & Trenching Inc. Any permanent addition, for example rooms, crawl spaces, patios, porches or anything of this sort made in the area that this work was performed voids this warranty.

This warranty does not apply to failure caused by the following:

- A. Water leakage because of power failure, sump pump failure, poor roof drainage or clogged or collapsed downspout piping.
- B. Wall cracking because of earthquakes or natural disasters, sinking footers or natural settling.

Example of wall Section with Anchor Gussset, Placed 8" apart.
All Reinforcement work on exterior of home.
