Electrical Circuit: 24V

Outside Equipment/Extras

Electric windlass

Tanks

Fresh Water Tanks: (385 Gal.)

Fuel Tanks: (2,150 Gal.)

Accommodations

Number of single berths: 2

Number of twin berths: 2

Number of double berths: 2

Number of cabins: 3

Number of heads: 3

Accommodations Continued

"Blond" sleeps 6 in three forward staterooms and 3 crew in two aft staterooms. The Master is a King berth with Jacuzzi bath forward, and the two guest staterooms, one with side by side twin berths, and one with Queen berth, each with in-suite baths. Starting aft and entering from the aft deck is a large, bright and airy salon with wraparound sofa to port, entertainment center and bar area with wet bar, wine chiller, refrigerator and icemaker forward, to starboard. The salon area is a wonderful area for entertaining or just relaxing.

The access passageway from the main deck to the lower deck guest and owners staterooms is on centerline. To starboard of this access passageway is the inside steering station with full controls and array of instruments; ships electrical panel and NATO approved magnetic circuit breakers, lighting schematic board, bilge alarm board, (2) 50 amp Sentry battery charging monitors, search light control, and communication equipment.

Engine/ Mechanical Equipment

Cruise Air chilled water updated air conditioning system, 5 ton, 2-stage dual compressor system with heat cycle and ten air handlers. Firefighting system with 2-hp pump and hoses at engine room and side decks. Black and gray water automatic and manual holding tanks with alarms. The main engines were completely rebuilt in 2004. All air conditioning compressors, fuel filters, battery charger, fresh water pumps are shelf mounted for easy maintenance and inspection. GenSets are mounted aft of the main engines and are athwartships. The engine room is spacious and well thought out.
